Sir,

Entertainment of a Sanitary Maistry instead of the services of a Sanitary Inspector to the Ramasamudra Municipality.

In forwarding herewith an extract from the resolution of the Municipal Council of Ramasamudra resolving to appoint a whole-time Sanitary Maistry on Rs. 15/- per mensem instead of utilising the services of the Sanitary Inspector of the Chamarajanagar Municipality, I have the honour to state as follows -

The President reports that the Municipality is paying a sum of Rs. 25/- per month towards the quota due to the Sanitary Inspector of Chamarajanagar Municipality, for looking after the Sanitary affairs of Ramasamudra Municipality also and that the Municipality is not in a position to bear this expenditure. The Municipal Council propose instead to appoint a whole-time Sanitary Maistry on Rs. 15/- per mensem, having knowledge of sanitation and vaccination. It is reported that the Municipality having a population of 4000 requires the services of a whole-time servant and that the present system of continuing the services of the Sanitary Inspector of Chamarajanagar is not only costly but is also not working satisfactorily.

In the circumstances reported, I request that orders of Government may kindly be obtained for discontinuing the part-time services of the Sanitary Inspector and to entertain a suitable Sanitary Maistry (a whole-time servant) on Rs. 15/- per mensem.
